WHO WE ARE

All types of care, every step we share.

Srinika Medisurge is a Lucknow-based doorstep healthcare service founded by **Dr. Piyush Saxena**. We bring doctors, certified nurses, physiotherapists and hospital-grade equipment to your home — so elderly, bedridden and post-surgery patients don't have to face long hospital queues for essential care.

From a single injection or catheter change to round-the-clock nursing and ICU-level respiratory support, every visit follows sterile hospital protocols and is supervised by our medical team.

What patients say

★★★★★
"My 82-year-old father needed an urgent catheter replacement at 9 PM. A certified nurse with a complete sterile tray reached within 30 minutes. Extremely gentle and hygienic."
— Alok Kumar Srivastava, Vipul Khand

★★★★★
"After mummy's knee replacement, they did daily wound dressing and IV antibiotics at home for 10 days. Zero infection risk and we saved so much time and ambulance cost."
— Rashmi Mishra, Indira Nagar
